Draft Report of the Special Sub Committee appointed by the Central Recruitment Board to consider the question of the constitution of a Staff Selection Board for the Mysore State.

- - - - - - - - - -

At a meeting of the Central Recruitment Board held on the 11th December 1930, a Sub Committee was appointed to get into the whole question of recruitment and see whether ~~its~~ the rules relating to the Staff Selection Board and the Public Services Commission now in force in Madras could not be adopted in Mysore with modifications, if any, since the annual report of the Central Recruitment Board disclosed that the progress achieved in the matter of recruitment to the public service for the past ten years had not come up to expectations and had not secured the adequate representation of Non-Brahmins.

When the required documents had been obtained from Madras it was decided at a meeting of the Central Recruitment Board held on the 22nd May 1931, that a meeting of the Special Sub Committee might be held in the month of July.

The Sub Committee as originally constituted was comprised of the following members:-

(1) The Inspector General of Police in Mysore (Chairman)
(2) Mr. R.Ranga Rao, B.A., B.L., General Secretary to Government of Mysore
(3) Mr. D.S.Mallappa
(4) Mr. Sylvester Pais, and
(5) The Secretary to the Central Recruitment Board.

At a meeting of the 22nd May the name of Mr. H.B. Gundappa was added and later that of Mr. B.Nagappa, Bar-at-Law.

The Sub Committee held meetings on the 27th July 1931, 24th September 1931 and 4th January 1932 and now presents its report.

The following was the sense of the resolutions agreed upon in the Sub Committee:-

(1) That a Central Staff Selection Board be formed at the Head Quarters of Government to deal with all applications for appointments on salaries of Rs 50/- per mensem and over and all nominations received from the District Staff Selection Board

Note.- Appointments carrying graded pay will be classed according to the average pay as calculated for financial purposes.

(2) That Staff Selection Boards be constituted in each District to deal with all applications for appointments other than those mentioned in para 1 arising locally, their nominations for appointments being forwarded to the Central Board.

(3) That the Central and District Staff Selection Boards be constituted as follows:-

A. Central Board.

(i) A Member of Council as Chairman
(ii) Six officials nominated by Government of whom only three shall be summoned for any meeting of the Board
(iii) Eight non-officials, representing the 8 Districts to be nominated by Government.

B. District Board.

(i) The Deputy Commissioner as Chairman
(ii) One official nominated by the Deputy Commissioner
(iii) Three non-officials nominated by Government of whom the member of the Central Board shall be one.

(4) That the Central Board compile a list of selected candidates detailing their caste, native place, qualifications and the scale of pay of the appointment they are willing to accept and that, as vacancies arise, appointing-officers fill appointments from this list without any previous notice or advertisement as at present --- adhering strictly to the system of communal rotation given below:-

(5) That the existing classes of appointments with existing minimum educational qualifications be maintained.

Note.- Though this rule implies selection by classes of appointments, the list to be ~~may~~ prepared by the Central Board can hardly be prepared by classes since a candidate with better qualifications than the minimum prescribed, may be ready to --- accept an appointment for which lower qualifications are needed than those he possesses. Hence, provision should be made for candidates stating the appointments they are willing to accept. In making appointments, however, appointing officers must be required to adhere to the rule of communal rotation and they not depart from it merely because a candidate of another community with superior qualifications offers himself.

(6) That in making appointments, appointing officers adhere to the following communal rotation, appointments being distributed amongst the various communities in the following proportions:-

(1) Major Communities ~~Five appointments~~
Vokkaligas
Depressed Classes
Lingayets

(1) Major Communities ... Five appointments

Vokkaligas
Depressed Classes.
Lingayets

(2) Minor Communities ... Five appointments

All others except Brahmins.

(3) Brahmins. ... Two appointments

Note.- In applying the rule, appointments would be made in the following order.-

Major Community.
Minor "
Major "
Minor "
Major "
Brahmin "
Minor "
Major "
Minor "
Major "
Minor "

It would be open to an appointing officer to begin at any the point in/list, but having once begun the order should be adhered to

Note.- The communities included under the above heads are as follows:-

A. Major

(1) Vokkaligas (including Kunchatigars)
(2) Depressed Classes (Adikarnatakas, Adidravidas Kormas, Korchas, Banajar, Vodda, Anamists, Hill Tribes.

(7) That in following the order of communal rotation, a rotation should, as far as possible be observed among the various communities in the group, having in ~~m~~ view the over or the under representation of such communities in the service and their population, state of education and general importance.

(8) That if, for want of a suitable candidate, a vacancy due to any community be filled up by a candidate of another community, the next vacancy falling to the group, should go to the community thus passed over.

(9) That in making temporary appointments, the order of communal rotation should be strictly followed unless it is impossible to do so.

(10) That appointing officers should, as far as possible, select local candidates of the community entitled to selection.

(11) That in the case of offices with small establishments, several such offices may be grouped together so as to facilitate the application of the system of communal rotation.

(12) The ministerial and executive appointments should be classes separately.

(13) That the appointment of an officer in one department to a higher appointment in another department be left to the discretion of Heads of departments.

(14) That no exemptions from the rules regarding general educational qualifications for appointments be granted save in the case of appointments in which technical knowledge is essential as in the Railway, Electrical Departments and the Government Press.

(15) That all appointments should be made on probation provided that should a probationer be eliminated, the appointment

should go to a member of the same community.

(16) That a special record of appointments made under the scheme be maintained.

(17) That the scheme be tried in the first instance for a period of three years.

(18) That the Secretary to the Central Staff Selection Board should be an Officer of the status of a Secretary to Government.

(19) That strict adherence to the spirit of these rules should be insisted upon and any unauthorised departure therefrom be seriously noticed.

(20) That Heads of Departments and officers be required, during their inspections, to scrutinise the appointments made in subordinate offices and bring to the notice of the Central Board any instance in which the rules have been violated.

The Committee also recommend that appointments on a pay of over Rs 100/- be brought within the purview of the Staff Selection Board.

Draft Report of the Special Sub Committee appointed by the Central Recruitment Board to consider the question of the constitution of a Staff Selection Board for the Mysore State.

- - - - - - - - - -

At a meeting of the Central Recruitment Board held on the 11th December 1930, a Sub Committee was appointed to get into the whole question of recruitment and see whether the rules relating to the Staff Selection Board and the Public Services Commission now in force in Madras could not be adopted in Mysore with modifications, if any, since the annual report of the Central Recruitment Board disclosed that the progress achieved in the matter of recruitment to the public service for the past ten years had not come up to expectations and had not secured the adequate representation of Non-Brahmins.

When the required documents had been obtained from Madras it was decided at a meeting of the Central Recruitment Board held on the 22nd May 1931, that a meeting of the Special Sub Committee might be held in the month of July.

The Sub Committee as originally constituted was comprised of the following members:-

(1) The Inspector General of Police in Mysore (Chairman)
(2) Mr. B.Nagappa Rao, B.A., B.L., General Secretary to Government of Mysore
(3) Mr. D.S.Mallappa
(4) Mr. Sylvester Pais, and
(5) The Secretary to the Central Recruitment Board.

At a meeting of the 22nd May the name of Mr. H.B. Gundappa was added and later that of Mr. B.Nagappa, Bar-at-Law.

The Sub Committee held meetings on the 27th July 1931, 24th September 1931 and 4th January 1932 and now presents its report.

The following was the sense of the resolutions agreed upon in the Sub Committee:-

(1) That a Central Staff Selection Board be formed at the Head Quarters of Government to deal with all applications for appointments on salaries of Rs 50/- per mensem and over and all nominations received from the District Staff Selection Boa

Note.- Appointments carrying graded pay will be classed according to the average pay as calculated for financial purposes.

(2) That Staff Selection Boards be constituted in each District to deal with all applications for appointments other than those mentioned in para I arising locally, their nominations for appointments being forwarded to the Central Board.

(3) That the Central and District Staff Selection Boards be constituted as follows:-

A. Central Board.

(i) A Member of Council as Chairman
(ii) Six officials nominated by Government of whom only three shall be summoned for any meeting of the Board
(iii) Eight non-officials, representing the 8 Districts to be nominated by Government.

B. District Board.

(i) The Deputy Commissioner as Chairman
(ii) One official nominated by the Deputy Commissioner
(iii) Three non-officials nominated by Government of whom the member of the Central Board shall be one.

(4) That the Central Board compile a list of selected candidates detailing their caste, native place, qualifications and the scale of pay of the appointment they are willing to accept and that, as vacancies arise, appointing-officers fill appointments from this list without any previous notice or advertisement as at present -- adhering strictly to the system of communal rotation given below:-

(5) That the existing classes of appointments with existing minimum educational qualifications be maintained.

Note.- Though this rule implies selection by classes of appointments, the list to be ~~supply~~ prepared by the Central Board can hardly be prepared by classes since a candidate with better qualifications than the minimum prescribed, may be ready to accept an appointment for which lower qualifications are needed than those he possesses. Hence, provision should be made for candidates stating the appointments they are willing to accept. In making appointments, however, appointing officers must be required to adhere to the rule of communal rotation and they must not depart from it merely because a candidate of another community with superior qualifications offers himself.

(6) That in making appointments, appointing officers adhere to the following communal rotation, appointments being distributed amongst the various communities in the following proportions:-

(1) Major Communities ~~Five appointments~~
Vellalars
~~Increased Number~~

(1) Major Communities ... Five appointments

Vokkaligas
Depressed Classes.
Lingayets

(2) Minor Communities ... Five appointments

All others except Brahmins.

(3) Brahmins. ... Two appointments

Note.- In applying the rule, appointments would be made in the following order.-

Major Community
Minor "
Major "
Minor "
Major "
Brahmin "
Minor "
Major "
Minor "
Major "
Minor "
Brahmin "

It would be open to an appointing Officer to begin at any the point in/list, but having once begun the order should be adhered to

Note.- The communities included under the above heads are as follows:-

A. Major

(1) Vokkaligas (including Kunchatigars)
(2) Depressed Classes (Adikarnatakas, Adidravidas Kormas, Korchas, Banajar, Vodda, Anamists, Hill Tribes.

(7) That in following the order of communal rotation, a rotation should, as far as possible be observed among the various communities in the group, having in xx view the over or the under representation of such communities in the service and their population, state of education and general importance.

(8) That if, for want of a suitable candidate, a vacancy due to any community be filled up by a candidate of another community, the next vacancy falling to the group, should go to the community thus passed over.

(9) That in making temporary appointments, the order of communal rotation should be strictly followed unless it is impossible to do so.

(10) That appointing officers should, as far as possible, select local candidates of the community entitled to selection.

(11) That in the case of offices with small establishments, several such offices may be grouped together so as to facilitate the application of the system of communal rotation.

(12) The ministerial and executive appointments should be classed separately.

(13) That the appointment of an officer in one department to a higher appointment in another department be left to the discretion of Heads of departments.

(14) That no exemptions from the rules regarding general educational qualifications for appointments be granted save in the case of appointments in which technical knowledge is essential as in the Railway, Electrical Departments and the Government Pre

(15) That all appointments should be made on probation provided that should a probationer be eliminated, the appointment

should go to a member of the same community.

(16) That a special record of appointments made under the scheme be maintained.

(17) That the scheme be tried in the first instance for a period of three years.

(18) That the Secretary to the Central Staff Selection Board should be an Officer of the status of a Secretary to Government.

(19) That strict adherence to the spirit of these rules should be insisted upon and any unauthorised departure therefrom be seriously noticed.

(20) That Heads of Departments and officers be required, during their inspections, to scrutinise the appointments made in subordinate offices and bring to the notice of the Central Board any instance in which the rules have been violated.

The Committee also recommend that appointments on a pay of over Rs 100/- be brought within the purview of the Staff Selection Board.

(4) That the Central Board compile a list of selected candidates detailing their caste, native place, qualifications and the scale of pay of the appointment they are willing to accept and that, as vacancies arise, appointing officers fill appointments from this list without any previous notice or advertisement as at present adhering strictly to the system of communal rotation given below.	~~Approved with an addition~~ 4. ~~The Staff Selection Board will exercise its discretion in selecting candidate for the list.~~ For the purpose of preparing the list, the Staff Selection Board or a sub committee thereof will make a preliminary selection of candidates after interviewing them if possible.
(5) That the existing class of appointments with existing minimum educational qualifications be maintained. Note. Though this rule implies selection by classes of appointments, the list to be prepared by the Central Board can hardly be prepared by classes since a candidate with better qualifications than the minimum prescribed, may be ready to accept an appointment for which lower qualifications are needed than	

those he possesses. Hence, provision should be made for candidates stating the appointments they are willing to accept. In making appointments, however, appointing officers must be required to adhere to the rule of communal rotation and they may not depart from it merely because a candidate of another community with superior qualification offers himself.

(6) That in making appointments, appointing officers adhere to the following communal rotation, appointments being distributed amongst the various communities in the following proportions:-

(1) Major Communities.	Five appointments	
Vokkaligas		
Depressed classes		
Lingayets		
(2) Minor Communities.	Five appointments	
All others except Brahmins.		
(3) Brahmins	Two appointments	

Note.- In applying the rule, appointments would be made in the following order:-

Major Community
Minor "
Major "
Minor "
Major "
Brahmin "
Minor "
Major "
Minor "
Major "
Minor "
Brahmin "

It would be open to an appointing officer to begin at any point in the list, but having once begun the order should be adhered to.

(7) That in following the order of communal rotation, a rotation should, as far as possible be observed among the various communities in the group, having in view the ~~ever at the~~ under representation of such communities in the service and their population, state of education and general importance.

(8) That if, for want of a suitable candidate, a vacancy due to any community be filled up by a candidate of another community, the next vacancy falling to the group, should go to the community thus passed over.

(9) That in making temporary appointments the order of communal rotation should be --- strictly followed unless it is impossible

(10) That appointing officers should, as far as possible, select local candidates of the community entitled to selection.

(11) That in the case of offices with small establishments, several such offices may be grouped together so as to facilitate the application of the system of communal rotation.

( ) That Committee also recommend that appointments on a pay of over Rs 100/- be brought within the purview of the Staff Selection Board. Omit.
